

M2M

Project Name	M2M (Backend)
Project start Date	
Project Handover by	Sunil
Project Handover To	LL Team
Project Handover Date	25/05/2020
Project Takeover Date	-
Project Status	90%
About Project	
<p>Planning a trip to Mandwa? Or from Mandwa to Mumbai? Travelling the 111kms between Mandwa and Mumbai by road, takes 5 hours to complete through congested traffic and questionable roads. A 19km water-ferry ride is the faster option, but unfortunately the available ferries carry only passengers and no vehicles.</p> <p>What if there was a better way, a way to get both you and your vehicle across the bay, just as quickly as the ferry?</p> <p>Introducing M2M Ferries' state-of-the-art Ro-Pax Ferry, the M2M-1, which allows you to take your vehicle (car, motorbike or bicycle) along for the sail between Mumbai and Mandwa in just 1 hour; all of it while enjoying premium, world-class facilities at the most affordable price.</p> <p>Discover, experience and enjoy the smarter way to travel today!</p>
