"Colouring Competition"

Dear Parents,
Greetings!!!

"Colours are brighter when the mind is open".

The power of Art play a vital role in enabling our children to enhance their creative talent and develop their artistic skills. Children naturally love art, colouring and drawing and express their feeling without words once they get proper environment, guidance, and encouragement. To develop and enhance this side and to develop fine motor skills in our preprimary students, we are organizing **"Colouring Competition"** for the tiny toddlers of **Nursery, LKG and UKG** on **Monday, 26 April 2021**. Students will be judged on the basis of the following criteria:

1. Colour sense
2. Neatness
3. Colouring within the given picture
4. Overall presentation

Kindly remember the following points:-

- Parents can download and take the print out of the given colouring sheet.
- Any changes in the given colouring sheet or the picture will not be permitted.
- Students can use crayons or color pencils
- After the completion of colouring, parents have to WhatsApp the photograph of the colouring sheet to the respective Mother Teacher by 5.00pm on 26th April 2021. Entries after that won't be considered.
- All participants will be awarded with e-certificate.
- You can contact the mother teacher for any queries.

Kind regards,

The International School of Bombay!!!
